

Announcement of an Opening at the Faculty of Physics
Vienna University of Technology

**Fixed-term Post-Doc / Assistant Position
at the Institute for Theoretical Physics**

The Faculty of Physics invites applications of outstanding young scientists whose research profile and interest promise close future ties with the ongoing research in “Fundamental Interactions” at the Institute for Theoretical Physics. We are looking for a scientist with research experience in theoretical particle physics, preferably with expertise in superstring theory and/or gauge-gravity-duality. With this position, teaching duties will comprise participation in standard courses in theoretical physics to be held in German, and more specialized courses, typically held in English.

The applicant is expected to have a Ph.D. in the field of theoretical physics, a few years of post-doctoral experience, and an excellent research record.

We offer a six-year Post-Doc/Assistant position from 1 March 2020 to 28 February 2026.

The Vienna University of Technology is committed to increase female employment. Qualified female applicants are expressly encouraged to apply and will be given preference when equally qualified. Handicapped persons with appropriate qualifications are expressly encouraged to apply.

Applications including a detailed curriculum vitae, a list of publications, invited lectures, extramural funding and teaching records if applicable, and a research plan should be sent to:

Personalstelle
Ms. Ildiko Haidenschuster
Technische Universität Wien
Karlsplatz 13
1040 Wien
Austria

Online applications (preferably in a single pdf-file) to ildiko.haidenschuster@tuwien.ac.at prior to February 13th, 2020, will receive full consideration. Hardcopy applications must include a CD-ROM containing the entire file application.
